Introduction

This report has been produced by Johnson Fellows on behalf of the Landlord, W Wing Yip & Brothers Foundation. It is intended to provide details of the planned expenditure for the service charge period 1st August 2020 to 31st July 2021.

Enclosed within this report is a copy of the Service Charge Variance Schedule and Service Charge Apportionment Schedule.

The service charge is administered having regard to RICS Professional Statement; Service Charges in Commercial Property; 1st Edition.

The Property

The property is located on Boldmere Road, at the end of the local shopping high street. It is approximately, 6 miles north of Birmingham City Centre and 1.3 miles south west of Sutton Town Centre

The parade is a purpose-built retail and office premises with brick facades under a pitched tiled roof. Part first floor has been converted to a restaurant and 3 of the retail units merged into a bar. The parade now has a mix of retail, bar and food offerings. To the rear is a communal car park.

Service Charge Objectives

The objective of Johnson Fellows as Managing Agent is to provide a high quality management service. In so doing we aim to provide a well maintained environment, delivering value for money for the service charge expenditure.

The objective of this budget report is to provide a clear explanation for the recovery of the service charge expenditure on a not for profit/not for loss basis. It is also to promote clarity and transparency and to allow the tenants to budget accurately for the forthcoming period.

Should any occupier have comments on the format, or the information contained in this report which would assist in the report being improved for the benefit of all concerned, these comments would be welcomed. We would also welcome constructive feedback on the communal services provided at the property.

VAT

The property is elected for VAT, consequently the expenditure stated within this report is net of VAT.

Voids and Concessions

Where any void units exist, the responsibility for the service charge rests with the Landlord.

Banking

Due to the general level of service charge funds, they are not maintained within a discrete bank account. The funds are held within the Johnson Fellows Clients Account which is maintained with Barclays Bank plc. As a consequence, the service charge is not credited with any interest, neither are any bank charges allocated to the service charge.

Interest charged on the late payment of service charge by tenants is to be credited to the service charge.

Reserve Fund

There is no reserve fund.

Service Charge Apportionment

The apportionment is detailed within the Service Charge Apportionment Schedule attached at Appendix A.

The budget contains a single schedule that all occupiers contribute towards.

The apportionment percentages are calculated based on net internal floor areas.
