Introduction

This report has been produced by Johnson Fellows on behalf of the Landlord, Tesco Stores Limited. It is intended to provide details of the expenditure incurred during the service charge year.

The Property

Cromwell Retail Park is located on the south side of Wisbech, situated on the B198 Cromwell Road. It is opposite the Tesco Extra Superstore and 8 screen cinema and adjacent to the Belgrave Retail Park.

There are 9 new retail warehousing units providing 85,000 sq ft of accommodation, plus mezzanine floor space, to the front of which is a surface car park with 350 spaces. To the rear with access from Enterprise Way is a communal service yard. There is an adjacent undeveloped site with potential for an additional two units.

Voids and Concessions

There are presently 3 vacant units.

Any shortfall in the recovery of the service charge expenditure as a result of concessions granted to a tenant or void accommodation are funded by the Landlord.

VAT

The Landlord has elected the property for VAT; consequently the expenditure stated within this report is net of VAT.

Banking

Due to the general level of service charge funds, they are not maintained within a discrete bank account. The funds are held within the Johnson Fellows Clients Account which is maintained with Barclays Bank plc. As a consequence the service charge is not credited with any interest, neither are any bank charges allocated to the service charge.

Interest charged on late payment of service charge by tenants is to be credited to the service charge.

Reserve Fund

There is no sinking fund or reserve fund.

Service Charge Objectives

The object of this expenditure report is to provide clear explanation of the service charge expenditure on a not for profit/not for loss basis. It is also to promote clarity and transparency.

We encourage leaseholders to provide comments on the format and/or the information contained in this report which would assist in the report being improved for the benefit of all concerned. We would also welcome constructive feedback on the communal services provided at the property.

As Managing Agents, Johnson Fellows aim to provide a high quality management service in order to provide a well maintained environment, and delivering value for money for the service charge expenditure.

The service charge is administered having regard to Service Charges in Commercial Property; RICS Code of Practice.
