Introduction

This report has been produced by Johnson Fellows on behalf of the Landlord, W Wing Yip & Brothers Property and Investments Ltd. It is intended to provide details of the expenditure for the service charge period 1st October 2022 to 30th September 2023.

Enclosed within this report is a copy of the Service Charge Variance Schedule and Service Charge Apportionment Schedule.

The service charge is administered having regard to RICS Professional Statement; Service Charges in Commercial Property; 1st Edition.

The Property

The property is located on Drakes Cross Parade, which is set back from both the Alcester Road and Shawhurst Lane. It is approximately 6 miles to the south-west of Solihull Town Centre and 8 miles south of Birmingham City Centre.

The Parade is a purpose-built retail premises with brick facades under a pitched tiled roof. The majority of the units are two storey with ground floor retail and ancillary accommodation above. The two corner units are single storey. Customer parking is provided to the front of all units, with a service road and loading area to the rear.

Service Charge Objectives

The objective of Johnson Fellows as Managing Agent is to provide a high quality management service. In so doing we aim to provide a well maintained environment, delivering value for money for the service charge expenditure.

The objective of this budget report is to provide a clear explanation for the recovery of the service charge expenditure on a not for profit/not for loss basis. It is also to promote clarity and transparency and to allow the tenants to budget accurately for the forthcoming period.

Should any occupier have comments on the format, or the information contained in this report which would assist in the report being improved for the benefit of all concerned, these comments would be welcomed. We would also welcome constructive feedback on the communal services provided at the property.

VAT

The property is elected for VAT, consequently the expenditure stated within this report is net of VAT.

Voids and Concessions

Where any void units exist, the responsibility for the service charge rests with the Landlord.

Banking

Due to the general level of service charge funds, they are not maintained within a discrete bank account. The funds are held within the Johnson Fellows Clients Account which is maintained with Barclays Bank plc. As a consequence, the service charge is not credited with any interest, neither are any bank charges allocated to the service charge.

Interest charged on the late payment of service charge by tenants is to be credited to the service charge.

Reserve Fund

There is no reserve fund.

Service Charge Apportionment

The apportionment is detailed within the Service Charge Apportionment Schedule attached at Appendix A.

The service charge contains a single schedule that all occupiers contribute towards.

The apportionment percentages are calculated based on net internal floor areas.

Wing Yip are responsible for the preparation of the statement of service charge expenditure and for such internal controls as they determine are necessary to determine the preparation of statements that are free from material misstatement, whether due to fraud or error.

Reporting Accountants' responsibility

Our responsibility is to express a conclusion on the statement of service charge expenditure based on the procedures we have performed and the evidence we have obtained. We conducted our review in accordance with the International Standard on Review Engagements (ISRE) 2400, Engagements to Review Historical Financial Statements (Revised). ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the statement of service charge expenditure, taken as a whole, is not prepared in all material respects in accordance with the provisions of the Code of Practice 'Service Charges in Commercial Property' issued by RICS. ISRE 2400 (Revised) also requires us to comply with relevant ethical requirements.

A review of statement of service charge expenditure in accordance with ISRE 2400 (Revised) is a limited assurance assignment. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on the statement of service charge expenditure. As the reporting accountant we have performed the following procedures:

- checked whether entries in the accounting records are supported by invoices, receipts, other documentation or evidence
- made enquiries of management and others responsible for the services that comprise the service charge on this property
- applied analytical procedures.

The procedures do not include a review of the allocation or apportionment of service charge expenditure to occupiers.

To the fullest extent permitted by law, we do not accept or assume responsibility or liability to anyone other than Wing Yip in connection with the report of this engagement.

Based on the procedures we have performed and the evidence we have obtained, nothing has come to our attention that cause us to believe that the statement of service charge expenditure is not prepared, in all material respects, in accordance with the provisions of the Code of Practice 'Service Charges in Commercial Property' issued by the RICS.

On the basis of information and explanations provided to us by Wing Yip, in our opinion, the expenditure incurred and to be incurred by the Lessor for the year ended 30 September 2025 was £21,359.60 exclusive of VAT.

6 Empty units and concessions granted to tenants

Where appropriate, costs are apportioned on a daily basis and for the avoidance of doubt it is confirmed that the landlord bears an appropriate proportion of the service charge expenditure in respect of voids and vacant premises.

Likewise, if any tenant has any form of concession, whereby their contribution towards the service charge is capped, or is lower than the apportionment due, the landlord pays the difference.
