Independent Accountant's Review Report

To the Manager, Gallowtree Gate

We have reviewed the statement of service charge expenditure for the above property for the year ended 28 September 2018. The statement of service charge expenditure has been prepared by the Manager in accordance with guidance issued by the RICS in the Code of Practice, Services Charges in Commercial Property, Third edition.

Manager's Responsibility for the Statement of service charge expenditure

The Manager is responsible for the preparation of the statement of service charge expenditure and for such internal control as the Manager determines is necessary to enable the preparation of statements that are free from material misstatement, whether due to fraud or error.

Reporting Accountant's Responsibility

Our responsibility is to express a conclusion on the statement of service charge expenditure based on the procedures we have performed and the evidence we have obtained. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400, Engagements to Review Historical Financial Statements (Revised). ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the statement of service charge expenditure, taken as a whole, is not prepared in all material respects in accordance with the provisions of the Code of practice 'Service charges in commercial property' issued by the RICS. ISRE 4000 (Revised) also requires us to comply with relevant ethical requirements.

A review of a statement of service charge expenditure in accordance with ISRE 2400 (Revised) is a limited assurance engagement. The reporting accountant performs procedures, primarily consisting of making inquiries of management and others responsible for the services that comprise the service charge on this property, as appropriate, and applying analytical procedures, and evaluates the evidence obtained. The procedures do not include review of the allocation or apportionment of service charge expenditure to occupiers.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on the statement of service charge expenditure.

Conclusion

Based on the procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the statement of service charge expenditure is not prepared, in all material respects, in accordance with the provisions of the Code of practice 'Service charges in commercial property' issued by the RICS.

Basis of Accounting and Restriction on Distribution and Use

Our report is made in accordance with the terms of our engagement and is intended solely for the Manager to issue to current occupiers. This report should not be distributed to or used by other parties. Our work has been undertaken to enable us to make this report to the Manager and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility or liability to anyone other than the Manager in connection with the report or this engagement.
