Introduction

This report has been produced by Johnson Fellows on behalf of the Landlord, W Wing Yip & Brothers Property and Investments Ltd. It is intended to provide details of the expenditure incurred during the service charge period 1st October 2024 to 30th September 2025.

Enclosed within this report is a copy of the Service Charge Apportionment Schedule and Service Charge Variance Schedule.

The service charge is administered having regard to RICS Professional Statement; Service Charges in Commercial Property; 1st Edition.

The Property

The property is located on Oxgate Lane within the north-west London area of Cricklewood. It is approximately 500m from J1 of the M1 Motorway and the North Circular Road. The City of London is approximately 5 miles to the south.

At its frontage, Sayer House is a two storey brick built office building under a pitched roof. To the rear the property provides single storey business units under pitched roofs. A dedicated car park forms part of the property, which is accessed via Horseshoe Close. The site abuts the wider Wing Yip trading estate.

In addition, the occupiers of Sayer House benefit from the shared use of a car park at the end of Horseshoe Close. This is part owned by Wing Yip.

In total Sayer House provides 6 separate business units. There are no internal communal parts, with each unit having a dedicated entrance. The primary services provided for the property consist of external landscaping and external building maintenance, with a contribution towards the upkeep of the shared car park.

Service Charge Objectives

The objective of Johnson Fellows as Managing Agent is to provide a high quality management service. In so doing we aim to provide a well maintained environment, delivering value for money for the service charge expenditure.

The objective of this report is to provide a clear explanation of the service charge expenditure on a not for profit/not for loss basis. It is also to promote clarity and transparency.

Should any occupier have comments on the format, or the information contained in this report which would assist in the report being improved for the benefit of all concerned, these comments would be welcomed. We would also welcome constructive feedback on the communal services provided at the property.

VAT

The property is elected for VAT, consequently the expenditure stated within this report is net of VAT.

Voids and Concessions

Where any void units exist, the responsibility for the service charge rests with the Landlord.

Banking

Due to the general level of service charge funds, they are not maintained within a discrete bank account. The funds are held within the Johnson Fellows Clients Account which is maintained with Barclays Bank plc. As a consequence the service charge is not credited with any interest, neither are any bank charges allocated to the service charge.

Interest charged on the late payment of service charge by tenants is to be credited to the service charge.

Reserve Fund

A Reserve Fund has been inherited from the previous regime. However, there is currently no ongoing collection within the service charge budget. The balance held at the service charge year end was £4,573.16. Funds are held in a discrete bank account in order to obtain interest. The account is maintained with Barclays Bank plc, Kidderminster branch.

The funds will be used for future major items of expenditure.

Service Charge Apportionment

The apportionment is detailed within the Service Charge Apportionment Schedule attached at Appendix A.

The budget contains a single schedule that all occupiers contribute towards.

The apportionment percentages are calculated based on net internal floor areas.

**INDEPENDENT ACCOUNTANTS' REPORT TO THE LANDLORD OF
SAYER HOUSE, OXGATE LANE, CRICKLEWOOD**

We have reviewed the accompanying statement of service charge expenditure for Sayer House for the year ended 30 September 2025 and a summary of significant accounting policies and notes to the service charge expenditure report set out on page 4 to 5. The statement of service charge expenditure has been prepared by Wing Yip in accordance with guidance issued by the RICS to supplement the RICS code of Practice, Service Charges in Commercial Property (the code).

Managing Agent's responsibility for the statement of service charge expenditure

Wing Yip are responsible for the preparation of the statement of service charge expenditure and for such internal controls as they determine are necessary to determine the preparation of statements that are free from material misstatement, whether due to fraud or error.

Reporting Accountants' responsibility

Our responsibility is to express a conclusion on the statement of service charge expenditure based on the procedures we have performed and the evidence we have obtained. We conducted our review in accordance with the International Standard on Review Engagements (ISRE) 2400, Engagements to Review Historical Financial Statements (Revised). ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the statement of service charge expenditure, taken as a whole, is not prepared in all material respects in accordance with the provisions of the Code of Practice 'Service Charges in Commercial Property' issued by RICS. ISRE 2400 (Revised) also requires us to comply with relevant ethical requirements.

A review of statement of service charge expenditure in accordance with ISRE 2400 (Revised) is a limited assurance assignment. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on the statement of service charge expenditure. As the reporting accountant we have performed the following procedures:

- checked whether entries in the accounting records are supported by invoices, receipts, other documentation or evidence
- made enquiries of management and others responsible for the services that comprise the service charge on this property
- applied analytical procedures.

The procedures do not include a review of the allocation or apportionment of service charge expenditure to occupiers.

**INDEPENDENT ACCOUNTANTS' REPORT TO THE LANDLORD OF
SAYER HOUSE, OXGATE LANE, CRICKLEWOOD**

Conclusion

Our report is made in accordance with the terms of our engagement and is intended solely for Wing Yip for issue to current occupiers and the landlord. This report should not be distributed to or used by other parties. Our work has been undertaken to enable us to make this report to Wing Yip and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility or liability to anyone other than Wing Yip in connection with the report of this engagement.

Based on the procedures we have performed and the evidence we have obtained, nothing has come to our attention that cause us to believe that the statement of service charge expenditure is not prepared, in all material respects, in accordance with the provisions of the Code of Practice 'Service Charges in Commercial Property' issued by the RICS.

On the basis of information and explanations provided to us by Wing Yip, in our opinion, the expenditure incurred and to be incurred by the Lessor for the year ended 30 September 2025 was £18,534.98 exclusive of VAT.
