Introduction

This report has been produced by Johnson Fellows on behalf of the Landlord, Cabot Investments Limited. It is intended to provide details of the planned expenditure for the service charge year commencing 1st April 2018.

Enclosed within this report is a copy of the Service Charge Variance Schedule and Service Charge Apportionment Schedule.

The service charge is administered having regard to Service Charges in Commercial Property, 3rd Edition; RICS Code of Practice.

The Property

The subject property is located within Cannock Town Centre. It comprises two storey retail and ancillary accommodation fronting Market Hall Street and three storey retail and ancillary accommodation fronting Church Street. There is a car parking area/service deck at second floor level, which is accessed via Church Street.

Internal common areas include stairs from the second floor service deck, the first floor corridor, stairs from the first floor corridor, the ground floor corridor, and the goods lifts within Phases 1&2 (Market Hall Street). The internal communal stairs and lift at Church Street no longer form part of the communal areas having been demised under the lease.

Voids and Concessions

Where any void units exist, the responsibility for the service charge rests with the Landlord. At the commencement of the service charge year the void units include 14 Market Hall Street, 1st Floor 16 Market Hall Street, 16b Market Hall Street, 3 & 7 Church Street and Flat 23 Church Street.

VAT

The Landlord has elected the property for VAT, consequently the budget figures stated within this report is net of VAT.

Banking

Due to the general level of service charge funds, they are not maintained within a discrete bank account. The funds are held within the Johnson Fellows Clients Account, which is maintained with Barclays Bank plc. As a consequence the service charge is not credited with any interest, neither are any bank charges allocated to the service charge.

Interest charged on the late payment of service charge by tenants is to be credited to the service charge.

There is no sinking fund or reserve fund.

Service Charge Objectives

The objective of Johnson Fellows as Managing Agents is to provide a high quality management service. In so doing we aim to provide a well maintained environment, delivering value for money for the service charge expenditure.

The objective of the budget report is to provide a clear explanation for recovery of the service charge expenditure on a not for profit/not for loss basis. It is also to promote clarity and transparency and to allow the tenants to budget accurately for the forthcoming year.

Should any occupier have comments on the format, or the information contained in this report which would assist in the report being improved for the benefit of all concerned, these comments would be welcomed. We would also welcome constructive feedback on the communal services provided at the property.

Service Charge Apportionment

The principle for the apportionment of the service charge expenditure is to enable the sharing of costs of the common services between the occupiers who benefit from the services. Where services only benefit a few occupiers, these are apportioned to separate schedules to which only the occupiers who benefit contribute towards.

The four service charge schedules adopted are:

Schedule 1 – Phases 1 & 2 Market Hall Street

Schedule 2 – Phase 3 Church Street

Schedule 3 – Phase 4 (No longer used)

Schedule 4 – All Phases

Having regard to the nature of the property, the most appropriate method for calculating the apportionment percentages is on a fair and reasonable basis having regard to floor area. Certain leases contain fixed percentages for recharge, but the fair and reasonable percentage has been adopted, which in all cases are at a level slightly below the fixed percentage stated in the relevant lease documents.

Schedule 3 is no longer used. The lift and internal stairwell has now been demised. In addition, the internal cleaning and building repair costs have been removed from Schedule 2.

An Apportionment Schedule for the property is attached at Appendix A.
